Azur Underwriting Limited is a Managing General Agent who underwrite risks on behalf of AIG Europe Limited. Below is an important notice from AIG on its preparations for Brexit.

Important Notice

AIG Europe Limited (AEL) is undertaking a restructure as part of its plans for the UK leaving the European Union and intends to transfer its UK insurance business to American International Group UK Limited and all its other European business to AIG Europe S.A. which is expected to take effect on 1 December 2018. Both of these companies are members of the same group as AEL. As a result of the restructure, your policy will also transfer but this will have no effect on the cover provided under the policy.

Please visit www.aig.com/Brexit to view information relating to the proposed transfer and the rights you have.

Kind Regards,
