

 **FACT**

Smart Home includes £50,000 in Personal Cyber

PROBLEM

What if your client has been tricked into transferring money online to a fraudulent account? This is **phishing** and banks are unlikely to reimburse the funds to your client as they will be deemed to have wilfully transferred the funds.

SOLUTION

Azur Personal Cyber includes cover for Cyber Crime which would protect your client if they fell victim to a phishing attack. Personal Cyber also covers online liability and home systems damage.

Don't leave your clients exposed.
